

portable ESS system cost vs benefit calculation in Guernsey

Should the Guernsey insurance fund increase contribution rates? The Committee for Employment & Social Security has submitted its annual contributory benefit and contribution rates Policy Letter, which recommends an increase to the contributory benefits funded from the Guernsey Insurance Fund and the Long-term Care Insurance Fund from January. Do employers pay for accommodation and food in Guernsey? It is quite common in Guernsey, possibly due to the reasonably high cost of living, for employers to provide accommodation and food to employees. The cost of providing these benefits can be offset against wages. The maximum offset in relation to accommodation only is £78.00 per week, and for food and accommodation is £109.00 per week. How much do employees get paid in Guernsey? Employees in Guernsey are entitled to receive a written statement of their pay on or before the day on which they are paid setting out their gross pay, details of any deductions and the reason for those, net pay and the date on which they will be paid. Employees aged 18 and over are entitled to receive a minimum rate of £8.10 per hour. How much income tax is exempt from Guernsey? per day may also be exempt (£45 for and , and £44 for). If the employee is in Guernsey for a period exceeding twelve months, then no part of the accommodation or subsistence allowance would be exempt from Guernsey income tax. Does Guernsey require severance pay? There is no statutory requirement for severance pay in Guernsey. Any severance payments are typically based on contractual agreements or negotiated packages. Employees are generally entitled to a minimum notice period based on their length of service: These notice periods can be extended if specified in the employment contract. How much will Guernsey insurance fund & long-term care insurance fund increase? If the proposals are agreed by the States, contributory benefit rates funded from the Guernsey Insurance Fund will increase by 4.9% and benefits funded from the Long-term Care Insurance Fund will increase by 4.5%. These increases are in line with established guideline policies and would take effect from 6 January . STATES INCOME TAX AUTHORITY Benefits valued by the "cost to the employer" or "cost to the provider" are likely to follow a similar pattern to "market value" benefits, although there is more likely to be some documentary New method for calculating benefit increases proposed ESS is simultaneously seeking a 6.8% increase in contributory benefits for next year, matching the rate of inflation for the year up to 30 June, which is greater than inflation A GUIDE TO EMPLOYMENT LAW IN GUERNSEY It is quite common in Guernsey, possibly due to the reasonably high cost of living, for employers to provide accommodation and food to employees.
