

## successful bid price of Solar Inverter project in Azerbaijan 2025

China's Huantai Energy Co., Ltd. has secured a contract to build 100 MW of solar in eastern Azerbaijan, after submitting the lowest bid of \$0./kWh in the country's first renewables auction. Azerbaijan 's Ministry of Energy has concluded its first renewables auction by awarding a 100 MW solar The result was announced at the COP29 climate summit in Baku. Universal International proposed the lowest bid of USD 0. (EUR 0.) per kWh. The project is scheduled to be commissioned in . "This auction represents a major milestone in Azerbaijan's renewable energy sector. The selection of Documents have been signed within COP29 between SOCAR Green LLC, the UAE Masdar company, the European Bank for Reconstruction and Development (EBRD), the Asian Development Bank (ADB), and the Asian Infrastructure Investment Bank (AIIB) for the financing of two solar energy projects in Azerbaijan. Azerbaijan is set to embark on the construction of eight solar and wind power plants, with a total investment of \$2.8 billion, aiming for completion by , utilizing both foreign and local funding. This announcement was made by Energy Minister Parviz Shahbazov in an article published in the Previously, at the COP29 conference held in , Universal Energy stood out among several international power investment companies, including Saudi Arabia's ACWA Power and the UAE's Masdar, to win the bid for the aforementioned project, marking Azerbaijan's first publicly tendered new energy The 240 MW Sunrise (Shafag) Solar Power Plant project, located in the Jabrayil district, was established under a Shareholders Agreement signed between Azerbaijan Investment Company (AIC), SOCAR, and BP. The project represents an investment of approximately USD 200 million. As the first Azerbaijan awards first 100 MW solar project to Universal Azerbaijan has concluded its first renewable energy auction, awarding a 100 MW solar project in the Garadagh region to Chinese company Universal International Holdings. The Azerbaijan awards 100 MW of solar with lowest bid of China's Huantai Energy Co., Ltd. has secured a contract to build 100 MW of solar in eastern Azerbaijan, after submitting the lowest bid of \$0./kWh in the country's first renewables Azerbaijan completes 1st renewables auction for 100 Azerbaijan has completed its first renewable energy auction, announcing Chinese company Universal International Holdings Limited as the winning bidder to build a 100-MW solar power plant in the country's Garadagh Financing Agreements for 760MW of Solar This agreement demonstrates the successful partnership between Azerbaijan and Masdar, as well as the trust of investors and international financial institutions in our country. Azerbaijan concludes first renewable energy auctionThe Chinese company secured the contract with a competitive bid of \$0. per kWh and will be responsible for designing, financing, building, and operating the solar plant Azerbaijan powers up: \$2.8 billion investment in solar and wind Azerbaijan is set to embark on the construction of eight solar and wind power plants, with a total investment of \$2.8 billion, aiming for completion by , utilizing both Universal Energy Signs Investment Agreement with Azerbaijan Minister Parviz Shahbazov congratulated Universal Energy on successfully winning the bid for Azerbaijan's first publicly tendered new energy project. &quot;Sunrise&quot; Solar Power Plant | Azerbaijan Investment CompanyThe project represents an investment of approximately USD 200 million. As the first industrial-scale solar power
